

5.2" BOX RIB

Info Sheet

Folded Box Rib Metal Wall Panel

Our **5.2" Box Rib** metal wall panel is an exposed fastener folded panel with a coverage of 36.82". This panel creates deep shadows and bold visual lines in either horizontal and vertical installations. This panel can be used for commercial and residential applications, as an accent or to clad entire exteriors. The versatile panel can easily fit any project in need of a stylish, yet simple to install panel system and pairs well with other cladding styles.

Also available in **6" Box Rib**, **Box Rib Reverse**, and **7.2" Box Rib** for a completely different aesthetic to easily fit any project in need of a stylish, yet easy to install panel system.

Application: Wall & Fence

Coverage: 36.82" | **Depth:** 1-1/2" | **Span:** 5.2"

Available Gauge: 24

Available in 40+ Standard Colours & Specialty Finishes

Panel Length: Up to 26'10" (minimum length: 62")

A More Modern Box Rib

The 5.2" span creates a more modern look and is a popular choice for retail storefronts and residential accents.
