

FORMA BATTEN

Info Sheet

Industrial Edge & Streamlined Install

Similar to our most popular cladding profile [Board & Batten](#), **Forma Batten** is a simple yet stylish cladding option for residential and commercial applications that offers a longer lifespan and a more industrial design style for your projects.

Available in two coverages with a 2" wide batten at a depth of 3/4". The nail strip fastener system offers quick and easy installation, and remains an affordable product for a wide array of projects.

Application: Wall

Panel Length: Up to 22' (minimum length: 12")

Coverages: 12-3/8" or 10" | **Depth:** 3/4"

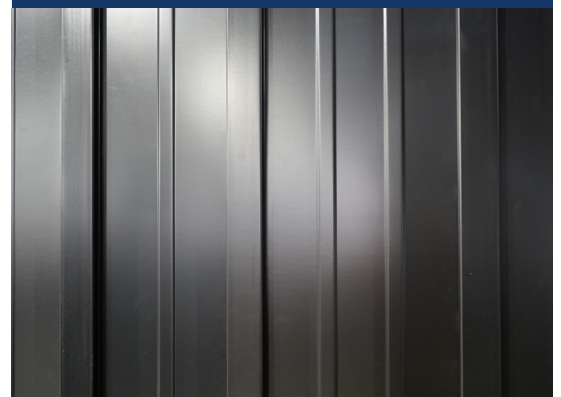

Available Gauges: 24ga (for 12-3/8") & 26ga (for 10")

Available in **40+ Standard Colours & Specialty Finishes**

Substrate: 1/2" standard plywood minimum

Note: Should *always* be applied over a solid substrate

Minor Rib Detail

Choose between one or two minor ribs with the 10" coverage profile, while the 12" coverage offers a clean look with two minor ribs built in.
